

Freelance Photographer (m/f/x)

YOUR MISSION:

- You take photos for on-site community gaming events, esports tournaments and broadcast events.
- You take over the post production of the pictures.

YOUR PROFILE:

- You are a freelance photographer (students or graduates are welcome).
- Ideally, you have already gained experience in the esports/gaming or entertainment industry, but it is not required.
- You must be able to capture fast, emotional reactive moments.
- You are well organized and work independently.
- You have the equipment to work in (primarily) low-light settings.

WHY US?

We offer ...

- a competitive salary.
- the chance to join one of the world's fastest-growing gaming and esports brands.
- the opportunity to work with some of the brightest and most passionate minds in gaming.
- the coolest gaming venue in the world as your workplace.

ABOUT US

VERITAS ENTERTAINMENT is a startup with a dynamic team of international esports enthusiasts and business veterans who understand that every community needs a home. We love and live for esports and its community and have made it our mission to build it that home. Our first LVL-Venue near Berlin's Checkpoint Charlie has reopened its doors to gaming enthusiasts from all over the world in July 2021; more gaming temples in Europe and the world are planned (for more info visit us at www.lvl.global). Now we are looking for you to join our team and catapult esports to the next LVL with the help of our community.

Send us your portfolio and apply for this position at: career@veritas-entertainment.gg
